Changing your Daily and Permanent Voicemail Greetings

If you have voicemail enabled you can record two voicemail greetings. The first is a daily greeting that you would normally update on a daily basis, typically giving the date and your whereabouts/availability. The second is a permanent greeting that can be used on any day. If you choose to record a permanent greeting your daily greeting will be deleted at midnight and the permanent greeting will then be used until you record a new daily greeting.

Press the Messages button.

Whilst listening to the first prompt press the * key you will hear a list of options.

Changing your daily Greeting

To change your daily greeting select option 2

You will then be prompted to record your new Daily Greeting. Press hash (#) when finished.

Your new Daily Greeting will be played back to you, if you are happy with your greeting, replace your handset, press the Speaker button or End Call button. You can also select 6 and then option 2 for a daily greeting

Changing your permanent Greeting

To change your permanent greeting select option 6 followed by option 3

You will then be prompted to record your new Daily Greeting. Press hash (#) when finished.

Your new permanent greeting will be played back to you, if you are happy with your greeting, replace your handset, press the Speaker button or End Call button. You can also select 6 and then option 2 for a daily greeting
